**Treasurer reported 231 homeowners paid their 2026 HOA dues, as of 12/31/2025. There is currently 1 property in escrow and it appears to be an individual buyer. The primary focus of the meeting was spent discussing actual 2025 income and expenses; as well as projections for 2026. Two directors recapped a meeting with a prospective attorney on December 29, 2025. There were three motions, discussions and votes throughout the meeting.**

- 1. A motion was made to move any overages or shortages between the 2025 projected budget to actual costs, with the difference to be reflected in the "Common Area Improvement" line of accounting. The motion passed unanimously. Side note: this step is taken each year to show actual expenses for 2025 and help make an informed decision for the set up of the 2026 budget. We did have a shortage in 2025 due to the erosion projects.**
- 2. A motion was made to terminate the current attorney of record, Winton Law. The motion passed unanimously.**
- 3. A motion was made to retain Jones Property Law as the HOA's new attorney firm of record. The motion passed with 1 director abstaining and 6 approving the motion.**
